

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3385

February 11, 2012

SUMMARY OF BILL: Includes in the definition of “retired law enforcement officer,” a retired correctional officer and a retired inmate relations coordinator previously employed by the Department of Correction (DOC), and authorizes such persons to become certified to carry a firearm in the same manner and to the same extent as an active law enforcement officer.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Because DOC will not be responsible for training or certification of retired correction officers or inmate relations coordinators who want to carry firearms, there will be no fiscal impact to the Department.
- Any such retired officer or coordinator will pay the costs associated with becoming certified to carry a firearm.
- Authorizing retired correctional officers and inmate relations coordinators to carry firearms will not have a fiscal impact on state government.
